Why is RESTORATION The KEY to Many Church Budgets?

St. Joseph's Church—Topeka, Kansas

Obviously there are many reasons, including location and finances, why churches have to stay where they are...can't be replaced...must be retained.

Just as obviously, a proper restoration program not only improves the building's appearance and adds longer useful life to it, it also improves community and membership pride in the church.

Our job...and we've been successful at it for more than **40** years...is providing a restoration program that has won us a host of church friends. It includes:

ALL TYPES OF BUILDING CLEANING
TUCKPOINTING & WATERPROOFING
CAULKING · STEEPLE WORK
INTERIOR & EXTERIOR PAINTING
DECK COATING · EPOXY GROUTING
MEMBRANE ROOFING
DEFERRED PAYMENT PLAN
GUARANTEED WORK

Lux Mundi is the Original Oil Candle, which quickly became the perfect alternative to the wax candle. It has been developed and manufactured for the following reasons:

- To avoid the residue and permanent stains on altar appointments and coverings caused by wax candles and tapers.
- It gives to the church an alternative over the ever-increasing cost of wax candles.
- To remove the hazards caused by the build-up of paraffin from burning waxed candles. This precipitates and later solidifies on the walls, furniture, and fixtures of the church.

Fully approved in all safety features. Lux Mundi shells and oil is the only company whose products have the official U.L. APPROVED seal.

Now, International Youth Exchange, a Presidential Initiative for peace, offers a unique opportunity for personal contact with a teenager from another country.

These youngsters, 15-19, will live for a time with American families like yours and attend American schools. The goal: to build bridges of understanding between the next generation of world leaders. To help bring the world together, one friendship at a time.
